🔗 Portfolio in Atharv Shelke 🌐 AtharvShelke

Professional Summary

Detail-oriented Full Stack Web Developer with practical experience in building scalable and efficient web applications. Proficient in JavaScript, TypeScript, Next.js, Node.js, MongoDB, and Prisma, with a strong focus on clean code and reliable architecture. Committed to continuous learning and contributing meaningfully to collaborative development teams.

Experience

Full Stack Web Developer Intern

MGM University

Chh. Sambhajanagar

June 2024 – present

- Built a scalable Training & Placement Portal using Next.js, Prisma, and MongoDB.
- Integrated an AI resume builder in collaboration with Ink IT Solutions via Discoverr.ai.
- Enhanced placement workflow efficiency by 60% through automation and real-time tracking.

Freelance Web Developer

Self Employed

Chh. Sambhajanagar

Nov 2023 – Feb 2024

- Developed a custom Inventory Management Portal using Next.js, MongoDB, and Prisma, replacing traditional Excel-based tracking
- Implemented real-time stock updates, low-stock alerts, and role-based access for admins and staff.
- Designed clean, responsive dashboards for product management and reporting.

Projects

AI Workout & Diet Plan Generator

[link](#) 

- Developed a web app that generates personalized workout and diet plans based on user inputs using Google Gen AI.
- Handled user input and used **Gen AI API** for dynamic, instant content generation.

Custom Phone Case E-Commerce Store

[link](#) 

- Built a dynamic full-stack e-commerce platform for custom phone cases with real-time product previews and user personalization.
- Enabled custom image upload and configuration (e.g., resizing, positioning, color options) for phone cases, integrated with uploadthing for optimized image handling.

Education

MGM University

Btech - Computer Science Engineering

June 2022 – May 2026

(expected)

- CGPA: 7.8/10
- **Coursework:** Database Management System, Operating System, Computer Network
